

When a student who is in withdrawal status due to academic suspension wishes to return to the University, the student must apply in writing to the Vice President of Student Affairs/Dean of Students at least one month in advance of the return. The student will not be permitted to return to the University until cleared by the appropriate offices.

If the student is approved to return, staff members may make recommendations to the University regarding conditions of return and/or continued enrollment. Students who received an academic suspension will be automatically placed on academic probation prior to the start of their next semester.

Students must resolve any outstanding holds on their accounts before they may register for classes.
